Section 1: RBWM co-ordinated scheme (2023/24 academic year)

- 1.1 The RBWM co-ordinated admission scheme establishes the method for processing and co-ordinating applications for school places in the normal admissions round and ensures that parents complete an application form via their home authority, irrespective of where their preferred schools are located, and receive only one offer of a school place via their home local authority.
- 1.2 The scheme complies with the School Admissions (Admission Arrangements and Coordination of Admission Arrangements) (England) (Amendment) Regulations 2014 and the School Admissions Code 2021.
- 1.3 Table 1 and 2 set out the normal applicable birth date range for children eligible to transfer school in September 2023.

Table 1 – Primary Age Schools

Academic Year of Entry	Birth Date Range	School Type
Year Reception entry	01/09/2018 – 31/08/2019	Primary, First or Infant school
Year 3 entry	01/09/2015 – 31/08/2016	Junior school

Table 2 – Secondary Age Schools

Academic Year of Entry	Birth Date Range	School Type
Year 5 entry	01/09/2013 – 31/08/2014	Middle school
Year 7 entry	01/09/2011 – 31/08/2012	Secondary school
Year 9 entry	01/09/2009 – 31/08/2010	Upper school

**Children taught outside of their chronological age range may need to apply at alternative times.*

- 1.4 Admitting authorities for voluntary aided schools, free schools and academies within RBWM are expected to agree to this scheme and abide by the principles of it, with the exception of free schools who may, if necessary, be outside the co-ordinated process for the first year they open.
- 1.5 The scheme will be implemented in line with the timetables set out on page 10.
- 1.6 This scheme does not cover applications outside of the coordinated admissions round. These are considered as in-year admissions.

Guidance information

- 1.7 The authority actively provides guidance information to residents, targeting those who are due to apply for school places during the normal admissions round. Residents are identified using data from local schools. Neighbouring Authorities also provide, and are supplied with, lists of pupils attending a 'non-home authority' school in order that potential applicants can be identified. The relevant webpages provide comprehensive information on the application process and timeline.
- 1.8 A separate composite prospectus, which provides information on the admissions process, is published each year for both admissions to primary age schools and secondary age schools. These are available online and in hard copy on request.

Application process

- 1.9 The application process for RBWM residents opens on the following dates:

Primary Age Schools	11 November 2022
Secondary Age Schools	9 September 2022

Applications are made online, with a paper Common Application Form (CAF) available if it is not possible to make an online application. Applications must be submitted to a resident's home local authority; applications from residents living in another authority will be discarded. Where both an online and a paper application are submitted, the application dated most recently will take precedence.

- 1.10 Applications invite parents to express up to six preferences for schools. Parents must list any school to which they wish to apply within these six preferences which are relevant to the transfer group for which they are applying. This includes any state school within England, not just those within RBWM. However, this does not include independent schools. Legislation requires local authorities to run an equal weighting system meaning that all preferences must be considered independently of one another. The rank of a school in the preference list has no bearing on the priority with which applicants are awarded places. Priority can only be determined using the relevant published admission criteria for a school. Only when multiple offers of school places can be made will the order of preference be taken into account to ensure applicants receive one offer of the highest preferred school possible.

- 1.11 Completed applications must be submitted to the local authority by the following national closing dates:

Primary Age Schools	15 January 2023
Secondary Age Schools	31 October 2022

- 1.12 It is inevitable that not all applicants requiring a school transfer will be able to submit an application by the national closing date. In exceptional circumstances, where evidence is provided to show that factors outside the applicants control mean the application could not have been made by the closing date, the authority will consider late submissions as 'on time' if they are received by the following extended deadline dates:

Primary Age Schools	31 January 2023
Secondary Age Schools	15 November 2022

Applications with no exceptional reason for applying after the closing date, or received after the extended deadline date, will be considered as late applications.

- 1.13 Any Supplementary Information Form (SIF) required as part of the application process should be completed and returned to the relevant admitting authority by the published closing date. These forms will contain only the additional information required by an admitting authority to determine an applicant's admission criterion. These forms can be obtained from the relevant school.
- 1.14 Where separated parents or carers of a child each submit a separate application for different schools the processing of these applications may be severely delayed. Parents or carers should attempt to resolve matters between themselves and inform the authority in writing which application should be processed. It is not appropriate for the authority to become involved in private disputes and both applications will be withdrawn until an agreement can be reached on a specific issue order is obtained from the court.

Allocation process

- 1.15 Following the relevant closing date, application forms will be processed, and co-ordination of preferences will commence. Local authorities within England will exchange data highlighting residents applying for out of authority schools.

- 1.16 When this data has been exchanged, the local authority will provide other admitting authorities within RBWM with a list of applicants who have listed their school as a preference. Admitting authorities will assess pupils in line with their published admissions policy and will return the list to the local authority in rank order. The local authority will assess those applicants listing schools for which RBWM is the admitting authority or where an own admission authority school has made the decision to buy back admissions validation as a traded service.
- 1.17 Local authorities within England will exchange data confirming whether places at local schools can be offered or not to residents who live outside of their authority.
- 1.18 The home local authority will consider all preferences with an equal weighting and will provide one offer of a school place. Where it is possible to offer places at multiple preferred schools, only one offer will be made, which will be for the school ranked highest in the parent's preference list.
- 1.19 Where it has not been possible to offer a place at a preferred school, the authority will, where possible, offer residents a place at an alternative school. The authority will aim to offer a place at the nearest school with a vacancy. The nearest school will be measured in a straight line from the home address. This process will only occur once places have been allocated to applicants who listed those schools on their application. Where a school is identified as the alternative school for more pupils than there are places available, then the published oversubscription criteria will be applied in order to determine priority.
- 1.20 The deadlines the authority will be working to with regards to each stage of the allocation process are defined in table 2.

National Offer Date	01/03/2023	17/04/2023

National Offer Date

- 1.21 Applicants who made applications on time will be notified of the outcome of their application on the following offer dates:

Secondary Age Schools	1 March 2023
Primary Age Schools	17 April 2023

Applicants who made an e-application can log into their account on Offer Day to see the outcome of their application. They will also receive an automated email detailing the next steps to accept or refuse the offer, and request to be added to any waiting list. Applicants who applied using the paper common application form will be sent a letter with the outcome of their application, via email where possible, or by first class post. This will be posted on the respective offer date.

- 1.22 In the case of voluntary aided schools, free schools and academies the offer is made by RBWM on behalf of the governing body. For schools outside the authority, offers are made on behalf of the relevant admitting authority.
- 1.23 Shortly after offer day, all schools within the local authority will be sent details of the children allocated places at their school.
- 1.24 For those not offered a preferred school, the letter will confirm the reasons why the application was unsuccessful. It will also advise applicants of their right of appeal and to whom this appeal should be addressed.
- 1.25 Parents/carers will be asked to respond to the offer of a school place and indicate if they wish to accept or decline the place offered. Responses must be made to RBWM via the authority's website, by email or by post by the following dates:

Secondary Age Schools	15 March 2023
Primary Age Schools	3 May 2023

Applicants will be automatically added to the waiting list for higher schools than the one offered and will be advised to notify the Admissions team in writing if they do not want their child to be included on the waiting list. Waiting lists for oversubscribed schools are operated by the admitting authority. Applicants are prioritised according to the schools published oversubscription criteria and each added child will require the list to be ranked again in line with the published oversubscription criteria. For RBWM community and voluntary controlled

schools, the authority will maintain waiting lists until 31 August in the academic year of entry.

- 1.26 In line with the Admissions Code, failure to accept the place could result in the offer of a school place being withdrawn. If a place is refused, the parent/carer must inform the 'home' authority which school the child will be attending, or how they intend to educate their child.

Late applications and late changes of preferences

- 1.27 Any application or change of preference received after the national closing date, or the extended deadline date for those applicants who have an exceptional reason for not applying on time, will be considered as late. The online application system closes on the relevant national deadline date and any application after this time must be made on a paper application form.

- 1.28 Details of late applicants for schools outside of the local authority will be forwarded to relevant admitting authorities as soon as they are received. It will be for that admitting authority to process these in line within their published co-ordinated scheme.

- 1.29 Late applications for schools within RBWM will be added to the waiting list(s) in order of the oversubscription criteria, following the first round of allocations and before further offers are made.

- 1.30 Only late applications received by the following dates will be considered in the second round. Applications received after the relevant date will be processed after the second round of allocations is complete.

Secondary Age Schools	15 March 2023
Primary Age Schools	3 May 2023

- 1.31 The dates for the second round of allocations are as follows:

Secondary Age Schools	4 April 2023
Primary Age Schools	23 May 2023

- 1.32 The home local authority will write to the applicant informing them of the outcome following the further offer of places. As with on-time applications, parents/carers will be asked to respond to the offer of a school place to indicate if they wish to accept or decline the place offered. Responses must be made by email or by post no later than the

date stipulated in their offer letter. Late applicants will automatically remain on the waiting list for any higher preferred school(s) for which a place was not allocated.

- 1.33 Late applications are always considered, and every effort will be made to allocate a place at the preferred school. Where it is not possible to offer a place at a preferred school, the local authority will, where possible, offer residents a place the nearest school with a vacancy as measured in a straight line from the home address.

Further offer of places

- 1.34 Following receipt of parental responses and the addition of late applications, the authority will re-allocate places to pupils on waiting lists where places have been declined and vacancies exist (the beginning of April for secondary applications, and the end of May for primary applications). Vacancies exist when the number of pupils allocated at a school drops below the published admission number. Academies, voluntary-aided and free schools who have not bought back into the RBWM validation service are responsible for allocating places from the waiting list, but the offer must be communicated to the applicant via the local authority to ensure that only one valid offer is held at any given time.
- 1.35 When an offer for a higher preferred school is made from the waiting list, any previous offer at a lower ranked preference will be automatically withdrawn.
- 1.36 The co-ordinated admissions scheme closes on the 31 August prior to pupils commencing schools in September. Any application which is made after this date will be considered as an 'in-year' application and should be made in line with the in-year admissions process.

We are currently consulting to permanently to extend the reduction beyond September 2022.

**Windsor Girls' School (Windsor) – Subject to approval.

Section 3: Definitions and explanations

Admission Authority – this is the authority responsible for setting and managing admission arrangements for a particular school. Specific types of schools are managed by different admitting authorities, although all are bound by the local authority's co-ordinated admission scheme. These different schools are detailed below:

Community schools – the local authority is the admission authority for these schools.

Voluntary controlled schools – these are generally faith schools for which the local authority is the admission authority.

Voluntary aided schools – these schools are faith schools, managed by the Church of England or Catholic diocese, for which the governing body is the admission authority.

Academies and free Schools – these are schools whose running and capital costs are met by the DfE for which the governing body is the admission authority.

Admission criteria – the rules used to prioritise the order in which children are offered school places.

Appeals – a parent's opportunity to ask for an independent panel to consider the admission authority's decision not to offer the child a place at the desired school.

Common Application Form (CAF) – this is the form used by applicants to apply for school places via their home authority.

Local Authority (LA) – if you live in the Royal Borough of Windsor & Maidenhead, we are your 'home local authority'. If you live somewhere else, then the county or borough you live in is your 'home authority'. References in this paper to 'the local authority' or 'the authority' will be taken to mean the local authority of the Royal Borough of Windsor and Maidenhead unless otherwise specified.

Normal admissions round - The period during which parents are invited to express a minimum of three preferences for a place at any state-funded school, in rank order on the common application form provided by their home local authority. This period usually follows publication of the local authority

composite prospectus on 12 September, with the deadlines for parental applications of 31 October (for secondary places) and 15 January (for primary places), and subsequent offers made to parents on the respective National Offer Day

Oversubscribed – when there are more applications than places, the school is said to be oversubscribed.

Parent – this is defined in law (the Education Act 1996) as *either* any person who has 'parental responsibility' (as defined in the Children Act 1989) for the child or young person, or any person who has care of the child or young person.

Preference – this is a school to which a parent/carer wishes to send their child. Parents cannot choose the school their child attends but can indicate their preference. The authority must offer a place at the highest preferred school possible once the admissions criteria have been applied.

Published Admission Number (PAN) – this is the maximum number of pupils that a school is required to admit into each Year group. The number is agreed as part of a school's admission arrangements and is commonly determined with regard to a Net Capacity Assessment (calculated using instructions from the Department for Education (DfE) based on the space available and use of resources). Schools must admit up to their PAN. The PAN for free schools and academies is set by the Department for Education.

Supplementary Information Form (SIF) – a SIF is required by some own admission authority schools in order to collect additional information not provided on the common application form. This is to enable them to assess applicants against the published admission criteria.
