## Allocation of places for admission into Primary, Infant, First and Junior Schools September 2022 Entry

### Academies, Voluntary Aided and Free Schools

**Academies** – An academy is an all-ability school that is run by an academy trust and its governors independently of the local authority and is funded entirely by central government. The governors are responsible for setting the admissions policy.

**Voluntary Aided Schools** – Voluntary aided church schools are supported by the Church Diocesan Boards and the local authority. The governors are responsible for setting the admissions policy.

**Free Schools** – A free school is an all-ability school which is run by the governing body independently of the local authority and is funded directly by central government. They are set up to meet the needs of the local community. The governors are responsible for setting the admissions policy.

Although these schools are their own admitting authorities, some of them by back into the local authority's validation service, which means that the local authority grade/rank their applications on their behalf for a fee. The local authority is also responsible for maintaining these schools waiting lists up until 31 August.

## Oversubscription Criteria for all Community and Voluntary Controlled Schools

The council strives to ensure fair allocations of school places according to criteria that have been set in advance. Where a school receives more applications than there are places, the following are the criteria that will be applied to determine which children should be offered places.

The following information is based on the initial allocation on 19 April 2022 of applications received by the deadline of 15 January 2022. The oversubscription criteria published in this booklet are **summaries** of schools' published oversubscription criteria. Please read our 'Admission into Primary School September 2022' Guide published on our [website](#) for more detailed information.

A child who is subject of an Education, Health and Care Plan will be admitted to the school named in their plan. Remaining places will be allocated in line with the published oversubscription criteria. The criteria for community schools are, in descending order:

1. Children in care. This category includes a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Children with exceptional medical or social reasons for requiring the school (see pages 21-23 of our 'Admission into Primary School' Guide for detailed information)
3. **Junior schools only** – Children attending a linked infant school
4. Children who live in the 'designated appropriate area' of the school and who have a sibling in attendance at the school at the time of the application and who is expected still to be attending the school at the time of entry
5. Children who live in the 'designated appropriate area' of the school
6. Children with a sibling in attendance at the school. The sibling would need to be attending the school at the time of admission of the child for whom a place is sought
7. Children of a staff member
8. **Voluntary controlled schools only** – Children whose parents choose the school on denominational grounds
9. Children whose parents have any other reason for their preference
